Dear Co-Chairs Hamilton and Scowcroft:

Eureka County, Nevada is pleased to provide the Blue Ribbon Commission on America's Nuclear Future with our report, *Lessons Learned Regarding U.S. Repository Siting Process: Summary of Findings and Recommendations*.

As an Affected Unit of Local Government under the Nuclear Waste Policy Act as Amended, we have participated and observed the repository siting process for nearly 20 years. The issue of public trust is central to our findings and recommendations.

Thank you for your leadership on the Commission, and for considering our report.

Sincerely,

Leonard J. Fiorenzi, Chairman
